DESIGN LORENZO MARCOLIN

MISOTA
6 7

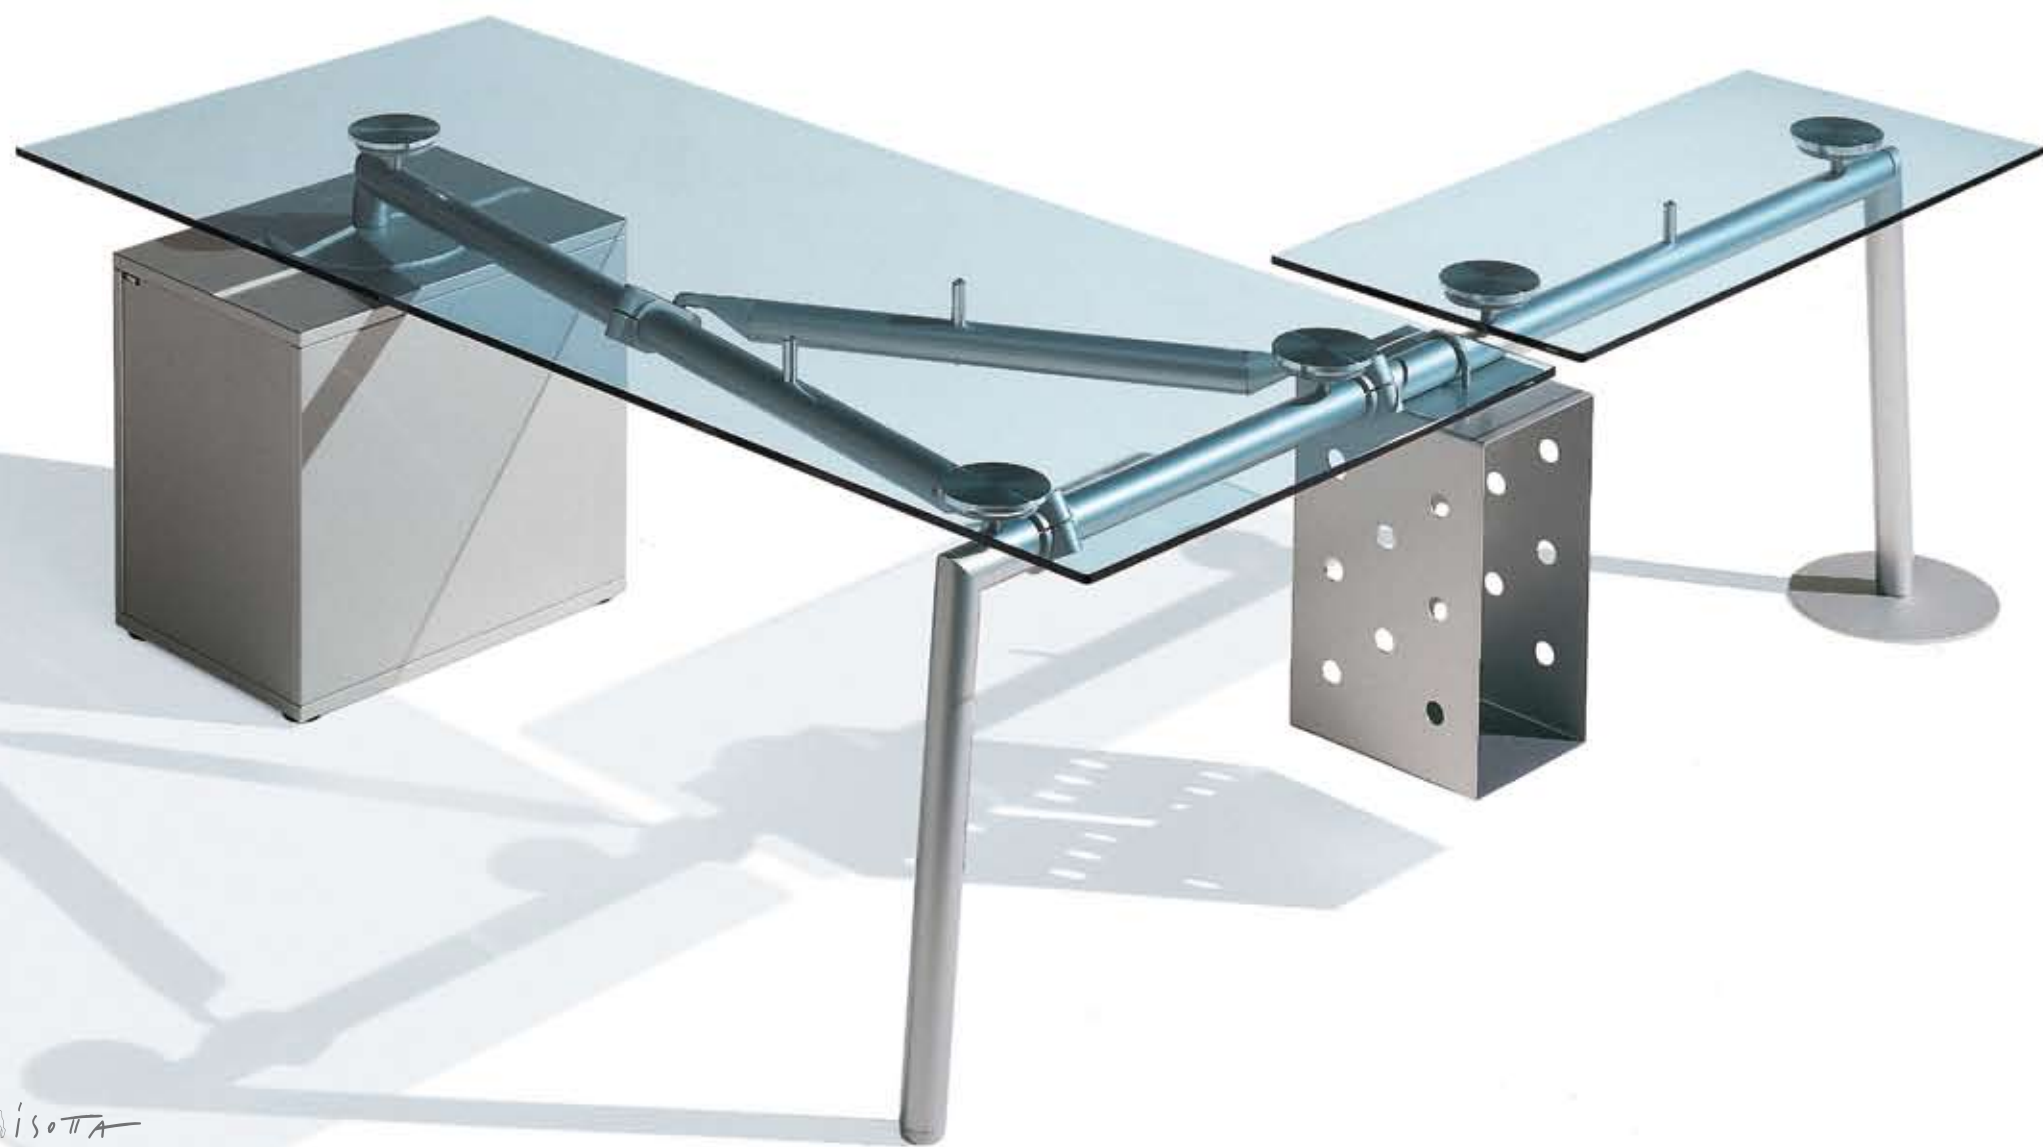

Ambienti colorati, distinguibili e personalizzabili in cui lavorare innovativamente.

Coloured environments, which can be distinguished and personalised, to work in, with new ideas.

Des habitats colorés, caractéristiques et personnalisés, où vous pouvez travailler d'une manière innovante.

Farbe und individuelle Ausführung für Räume, wo innovativ gearbeitet wird.

10 *isotta* 11

Strutture in acciaio collegate da giunti pressofusi, piani in vetro trasparente o sabbiato, cassettiere ed elementi di servizio supportano con la medesima efficacia, attività pratiche e relazionali.

Steel structures connected by die-cast joints, transparent or sandblasted glass tops, drawer units and service elements support, with the same efficacy, practical activity and relationships.

Des structures en acier articulées par des joints moulés sous pression, des plateaux en verre transparent ou transluide, des éléments de rangement et des éléments de service pour secondar avec la même efficacité des activités pratiques et relationnelles.

Stahlstrukturen, die mit Druckgussteilen verbunden sind, Transparent- oder Mattglasflächen, Schubladen- und Ablageelemente unterstützen wirkungsvoll praktische bzw. Schreibtätigkeiten.

WISOTA
12 13

Luoghi di lavoro collegati all'attualità e proiettati alla globalità in cui l'essere versatili, adattabili e trasformabili sono le caratteristiche vincenti.

Work places suited to the new millennium, designed for the whole, where versatility, adaptability and transformability are the winning features.

Des lieux de travail en relation avec l'actualité et projetés vers la mondialisation où les caractéristiques gagnantes sont l'universalité, l'adaptabilité et le transformisme.

Arbeitsplätze, die mit Realität und Globalität in Verbindung stehen, in der man wendig, anpassungsfähig und wandlungsbereit sein muss.

Confrontarsi, relazionarsi sono le opportunità che caratterizzano gli spazi di riunione in cui **Isotta meeting** interviene elegantemente. Leggi **Isi speak** e pareti contenitore **Isi wall** completano e definiscono l'ambito di appartenenza e di trasformazione.

Meeting and reporting are the opportunities that characterise the meeting areas for which **Isotta meeting** has been designed. **Isi speak** intervenes elegantly. Les pupitres **Isi speak** et les parois équipées **Isi wall** complètent et définissent le cadre d'appartenance et de transformation.

Supporter la confrontation, se rapporter aux autres, ce sont les possibilités qui caractérisent les espaces réunion ou **Isotta meeting** intervient élégamment. Les pupitres **Isi speak** et les parois équipées **Isi wall** complètent et définissent le cadre d'appartenance et de transformation.

Auseinandersetzung und Kommunikation bestimmen die Versammlungsräume, in denen **Isotta meeting** eingreift. **Isi speak** Leseputte und **Isi wall** Wände mit Stauraum ergänzen und definieren einen Kontext der Zugehörigkeit und Wandelbarkeit.

La trasparenza dei piani in vetro sostenuti da solide strutture metalliche sono il supporto per importanti rapporti relazionali.

The clearness of the glass surfaces, supported by solid metal structures, are the support for relationships.

La transparence des plateaux en verre qui reposent sur des structures métalliques solides est le support de relations interpersonnelles importantes.

Die Transparenz der Glasplatten auf soliden Metallstrukturen trägt zu wichtigen Beziehungen bei.

Linearità geometrica ed interazione cromatica sono gli aspetti formali caratteristici del sistema **Isi wall**. Esso è l'intorno funzionale alle postazioni di lavoro **Isotta** e consiste in pannelli-parete contenitori, utilizzabili singolarmente o in serie, ottenuti mediante la semplice sovrapposizione di elementi con apertura a ribalta. La possibilità di disporre di ante di diversi colori e finiture permette la composizione di spazialità nuove e vitali, costantemente trasformabili e personalizzabili.

Geometrical lines and chromatic interaction are the design characteristics of the **Isi wall** system. It forms the functional surrounding for **Isotta** work places, consisting of panels-wall storage units, which can be used individually or in series. This is done by simply stacking the elements on top of each other, which have a front tilting door. The option of using doors of different colours and finishes allows new and exciting spaces to be designed, which can be constantly transformed and personalised to meet changing requirements.

La linéarité géométrique et l'interaction chromatique sont les aspects formels et caractéristiques du système **Isi wall** qui constitue le cœur fonctionnel des postes de travail **Isotta**. Cet ensemble comprend des panneaux-cloisons que vous pouvez utiliser un par un ou en série, en superposant simplement les éléments qui s'ouvrent par abattant. Les portes sont disponibles dans des couleurs et des finitions différentes, ce qui vous permet de composer de nouveaux espaces vitaux, que vous pourrez transformer et personnaliser à tout moment.

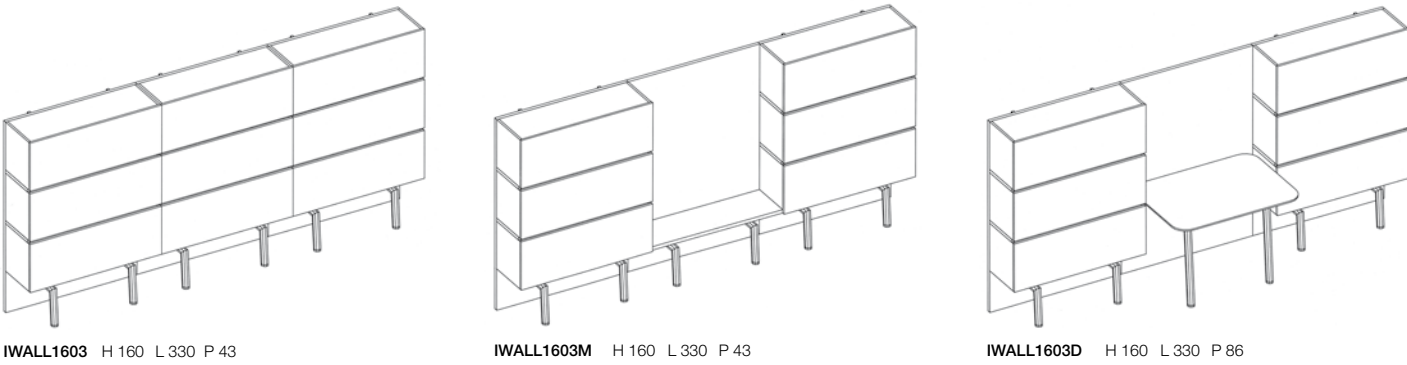

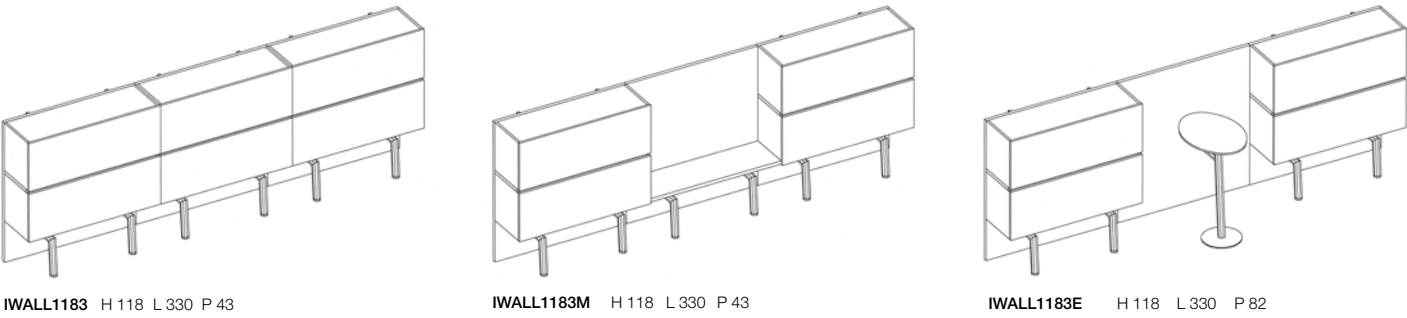

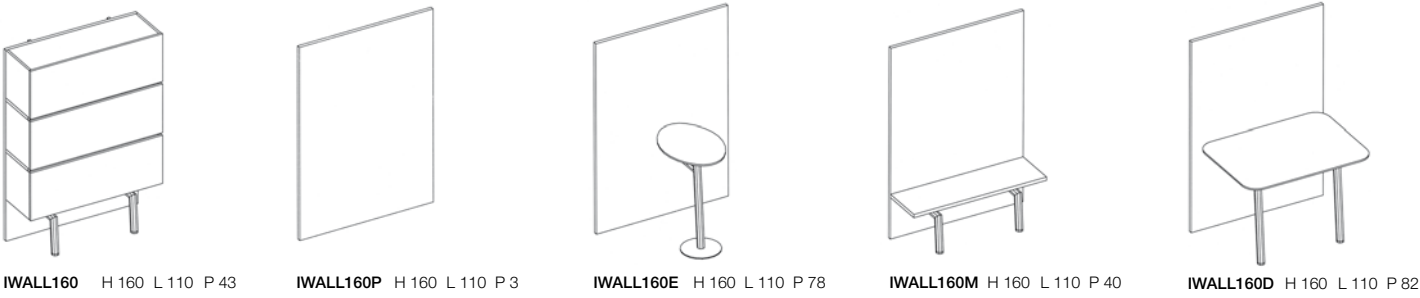

Geometrische Linearität und farbliche Interaktion sind die formellen Aspekte des Systems **Isi wall**. Es bildet den funktionellen Rahmen der **Isotta** Arbeitsplätze und besteht aus Wandpaneelen mit Stauraum, die einzeln oder aneinandergereiht zu verwenden sind und durch das einfache Übereinandersetzen von Elementen mit Kipptüren entstehen. Durch den Einsatz von Türen mit unterschiedlicher Farb- und Oberflächengestaltung kann der Raum neu und vital, stets wandelbar und individuell organisiert werden.
