The reception desk with its original form should be enough to arrange every reception hall. It is very effective in dark rooms where it is lightened from the inside and fulfills a role of a spectacular halogen. White, metal openwork wreathing subtly round the body and contrasting with the highlighted interior is a very characteristic element of the reception desk. Beautiful frontal part of the counter hides ergonomic interior with a wide desk top which allows to organize work at the reception desk without any problems.

REMOTE CONTROL

RGBW LED lighting steered with a remote control allows to regulate the intensity and the color of light automatically. Pressing one button changes the color of the reception desk and allows to light the counter in accordance with the selected program with monotonous or pulsating rhythmical colors.
