cod. 67

L'articolazione delle altezze definisce le differenti funzioni della reception: operatività, ricevimento in piedi, conversazione o accoglienza di ospiti diversamente abili. Nice soddisfa ogni esigenza senza mai perdere la sua eleganza.

Different heights to define the various functions of the reception counter: operation, standing reception, conversation or welcoming of guests with disabilities. Nice meets all needs without ever losing its elegance.

L'articulation des hauteurs trace les différentes fonctions de l'accueil : opérations, accueil debout, conversation ou accueil de personnes en situation de handicap. Nice satisfait toutes les exigences tout en gardant son élégance sans jamais la perdre.

← Mensola in vetro e fianco di finitura con profilo in alluminio.

Glass shelf and finishing side panel with aluminium profile.

Étagère en verre et côté de finition avec profil en aluminium.

La composizione lineare con mensola in vetro, posta a parete o a centro stanza, si impone per le linee decise e per l'abbinamento di materiali e finiture diverse. Il punto informativo o di accoglienza diventano espressione di qualità e stile di colui che riceve.

The linear composition with glass shelf, against the wall or at the centre of the room, stands out for its clear lines and for the combination of different materials and finishes. The info-point or reception counter becomes an expression of the quality and style of the host.

Cette composition linéaire avec étagère en verre, contre la paroi ou au centre de la pièce, est caractérisée par des lignes fortes et par la combinaison de différents matériaux et finitions. Le point d'information ou d'accueil devient expression de qualité et style de ceux qui accueillent le visiteur.

Point

Point è una reception ispirata a criteri di rigore formale che si articola in moduli variamente aggregabili tra loro. La semplicità compositiva e lo stile minimale generano infinite composizioni, con forme e dimensioni differenti, adattabili in ogni contesto.

The Point reception desk is inspired to formal rigour criteria declined in versatile modules that can be combined together. The simplicity in the composition and its minimal style generate infinite combinations, with different shapes and sizes, that can be adapted to any context.

cod. 31

Point est un comptoir inspiré aux critères de rigueur formelle articulés dans de modules qui peuvent être différemment combinés. La simplicité de la composition et son style minimaliste permettent de créer des compositions infinies, avec différentes formes et tailles, adaptables dans tous les contextes.

→ Fianco strutturale che chiude lateralmente ogni modulo.
Side structural element the literally closes each module.
Côté structurel qui ferme chaque module latéralement.

I moduli più semplici e di dimensioni ridotte garantiscono le stesse dotazioni e funzionalità delle composizioni più articolate. I piani di lavoro, differenti per ospiti ed operatori, si distinguono chiaramente per l'altezza da terra.

The simplest and the smallest modules provide the same features and functionality as the most complex compositions. Different worktops for guests and operators, clearly distinguishable by their height.

Les modules les plus simples et les plus petits offrent les mêmes caractéristiques et fonctionnalités de compositions les plus articulées. Les plans de travail, différents pour les visiteurs et les opérateurs, se distinguent clairement par leur hauteur par rapport au sol.

Plan d'accueil pour personnes à mobilité réduite.

cod. 63

L'effetto cromatico e materico delle mensole metalliche valorizza il bancone di ricevimento evolvendo la linearità originaria del progetto.

The chromatic and material effect of metal shelves adds value to the reception counter through the evolution of the original linearity of this project.

L'effet chromatique et des matériaux des étagères en métal valorise le comptoir d'accueil en soulignant l'évolution de la linéarité originale du projet.
